Patentability discussions with Yong Chu. In regards to the pharmaceutical composition of claim 11, one of ordinary skill would understand that this is a solid formulation and not a liquid formulation. This is because the ordinary skilled artisan knows that if the crystalline form-B claimed in claim 1 is dissolved in a liquid it would not be preserved. The pharmaceutical composition claimed is limited to having the crystalline form-B of claim .1	04/27/2011	VRG
